On the Verge of the  
Best Season of Your Life

By Rick Romeo  
For The Gazette

As all of us experience the changing seasons of our lives, there is both room for concern but also for hope and expectation. Spring is right around the corner! As we observe the subtle signs and changes in weather, we know that not only is Spring right around the corner but so is EASTER – better known in reality as Resurrection Sunday! The outrageous yet true claim of Christ and His followers during this epic time in the church calendar is that Jesus rose from the dead! And if this is true (which we believe it is!), it has the power to change ALL of our lives for the better! In addition to this spiritual reality, the Bible takes the beauty and power of this claim even further when it declares that the SAME POWER that raised Christ from the dead is available to ordinary people like you and me – if we open our lives and hearts up to Him! Romans 8:11 says, “The Spirit of God, who raised Jesus from the dead, lives in you! And just as God raised Jesus Christ from the dead, He will give life to your mortal bodies by this same Spirit living within you!” (New Living Translation). This Easter – more accurately known as the season of the Resurrection and Resurrection Sunday – you have the opportunity of a lifetime! And that is to explore this claim and to consider like never before the implications of this truth from God and how He can powerfully and positively change your life for the better this Spring and for the rest of your life! Come join us during this amazing season of hope, power and celebration as we open our lives to the miraculous presence and power of the Savior on the following dates at Olive Chapel:

# NEW PRAIRIE INDOOR PERCUSSION ENSEMBLE COMPLETES DEBUT SEASON

By Scott Kelley  
For The Gazette

The Sound of Cougar Pride is being heard throughout the state. For the first time, New Prairie High School band department formed an indoor percussion ensemble and has been competing since February 11.

The group of eighteen band students was led by the middle school band director, Daniel Weinberg, and assisted by percussion techs Andrew Morris and Ian Stowall.

The Indiana Percussion Association (IPA) holds competitions featuring smaller marching ensembles performing in high school gymnasiums.

This gave some of our band students an opportunity to step up into leadership roles. It also gave some of our woodwind and brass players to expand their abilities by learning percussion instruments.

The competitive show was inspired by a New Zealand tribal battle.

The music and marching drill for this show was written by our tech Ian Stowall.

*Dramatic finale of the show as the "queen of the tribe" is overthrown and the show ends with the loud thunder of drums and the victorious yell of the triumphant new leader!*

New Prairie competed at invationals at New Palestine High School and Ben Davis High School in February and March.

Their season concluded March 18 at Avon High School for the IPA State Prelims.

The top ten groups from this

competition competed again in the evening for the IPA State Finals.

New Prairie Indoor Percussion achieved their highest score of the season at the prelims, and placed 11th out of 16.

They had their best performance ever, and were very close to making

the finals. For their first year, they have come so far and should be so proud! Even in the wintertime our students have found an opportunity to "play loud and march proud!"

The New Prairie Indoor Percussion Ensemble consisted of:

**Bass Line:** Taylor Calkins, Tyler Ryder, Melinda Jack, and Haley DeMartinis.

**Snares:** Dani Woodcox and Jacob "Sharkbait" Sherrick.

**Tenors:** Jacob Lowman and Dylan Ligget.

**Cymbals:** Elizabeth Wilkenson-Heddington and Mia Britton.

**Front Ensemble:** Sage Kluge, Alyssa Woodcox, Colin Syverson, Jordan Jongkind, and Julia Kelley.

**Visuals:** Laurel Blankenship, Violetta Mendez, and Kaitlyn Kujawa

## Recipes, Etc.

By Barbara Peterich  
For The Gazette

Easter reminds me of my Polish heritage and our custom at Easter time... the Lamb Cake, otherwise known as Baranek Wielkanocy.

I am sharing with you a special recipe along with tidbits on making the lamb cake.

### Cream Cheese Easter Pound Lamb Cake

Preheat oven to 375 degrees. Carefully grease and flour your lamb mold.

#### Sift together:

2 cups of flour

½ tsp baking powder

Cream together:

¾ cup butter

3 oz cream cheese (not low fat)

1 ½ cups sugar

#### Add :

5 eggs one at a time, beating one minute, after each addition.

#### Blend:

Dry ingredients and mix together at low speed.

Place in lamb mold and bake for 1 hour.

*Etc.* — Tidbits for the lamb mold. Fill the face side of the

mold with batter. Move a wooden spoon gently through the batter to remove any air pockets.

Put the lid on the mold, making sure it locks together securely. Place the filled mold on a baking sheet in the preheated oven.

Test for doneness by inserting a toothpick through the mold's steam vent. Place the cake (still in the mold on a rack for 15 minutes. Carefully remove the top of the mold.

Before you separate the cake from the bottom mold, let it cool for 5 more minutes. After removing the rest of the mold, let the cake cool on a rack completely.

DO NOT set the cake upright until it is completely cool. Frost with your favorite frosting to resemble a lamb.
